## News from the Riverside County Barrel Racers

RCBR P O Box 1033 Romoland, CA 92585 (951) 313-1069 RCBRCclub@aol.com Nov 2006

The season is now officially over. It was an exciting last race because several divisions still had to be decided for the top placing. Plus the added bonus of \$100 cash to the winner in the Open, Youth and Novice classes. This gracious and deeply appreciated donation was from Bob Johnson of RDO Equipment Co. RDO is located on Iowa Avenue in Riverside, Ca. Stop by and see Bob for your John Deere, Hitachi and Sakai needs and say a big thank you!!

The pole bending class saw a one, two sweep by Stephanie Langdon in the 1D on her horses Somebody's Lil Tincie and Dapper Dew Right. Stephanie took home \$63 for both of those wins. The first place winner in the 2D was Michelle Miller aboard Fancy followed by Savana Lopez riding Riley for second place in the 2D. Again we would like to thank all of those who helped with the pole class this year. First are Shaun Sandoval, then Debbie Langdon, and Mr. Miller who helped at the last couple of races. We also would like to thank the other members who helped in the office during the pole class which is Brandi Ramirez, Jennifer Turner, Denise Courville, Emily Wiegmann, and Kelsey Cole.

The Lead line class winners were Addison Coutts on Shannon Blue with a 28.029. Second was Cori Burdett up aboard Bronc. These two young riders did a wonderful job this year and good luck next year.

In the Youth division, the class had 19 riders for the day. First in the 1D plus the \$100 extra money was won by Amanda Koch on her horse, Tamara's Dream. She stopped the clock with a 16.691. Second in the 1D was Rebecca Birchley on Magics Action Moon. For the 2D class, we saw Baily Limboure aboard Chloe and in second place was Brittanie Richards riding Gypsy. In the 3D, the placing was Paige Silva on Satin for first and in the winners circle again this month was Nicole Wells on her good horse Lena. In the final division, we saw first place going to Lauren Patterson on Dartaway Thisaway and second was Kelsey Cole riding her new horse, Chelsea for second in the 4D division.

In the Novice class, the 1D winner was Bailey Limboure riding Chloe with a great time of 16.905 which earned her that extra \$100 to take home. The winner in the 2D was Brittanie Richards again on Gypsy with another consistent run. In the 3D, the first place check went to Stephanie Schulmann

aboard her horse Miss Cumorah. The 4D winner was Heather Morgan on Quincy.

In the open division, the pace was very rapid with a time of 15.987 taking top stop and the extra \$100, which was Stephanie Langdon riding Somebody's Lil Tincie. Followed right behind her was Jennifer Turner aboard Snip of Scotch for second in the 1D. In the 2D division the first place went to Kim Sheriff on Kite and right behind her by hundredths of seconds was Nicole San Jose for second place. The 3D was won by a new face to our club, which was Diane Brickly on Cajo's Baby Beduina and following her by a hair was Juliann Steward aboard Too Much Cattin. In the 4D division it was Marcie Caywood for the first and Miranda Gardiner for the second place.

### **WINTER WARM-UP 4D BARREL RACE**

**BRN4D Approved**

**ATTN: ALL CLUB MEMBERS**

The points have been verified and double checked. Enclosed you will see the results of the 2006 RCBR year.

We just wanted to remind you of a rule that was voted on in February of this year. In case of a tie, the tie would be decided by adding up all of your runs throughout the year and which ever rider had the lowest combined time would be the rider that placed higher.

If you have any questions of how you placed, please contact the club at [RCBRClub@aol.com](mailto:RCBRClub@aol.com) or call 951-313-1069.
